TIME NOW TO SETTLE DOWN TO BUSINESS...

MOVING? Please use form inside paper and give full information. Mailing list is run on Friday for following week.

As this is written Americans everywhere are doing their thing in pickin' a President and other of what we smilingly refer to as our public servants. It appears on the face reports on absentee voting and the crowded polling places that the widely heralded voter apathy ain't workin', at least as far as our Texas voters are concerned. In addition to the political heat generated by the Carter-Reagan Campaign, it appears that voters in just about all parts of the country have gotten involved and a larger than usual number of veteran legislators are in danger of being sent home to live under their laws and taxes they have been passin' for too many years. This comes under the heading of Just Deserts.

Just on the eve of the election we received a news release from State Comptroller Bullock which advised us (CONT. ON PAGE 7)

Carlot Beef Opens Slow, Mostly Steady

Des Moines, Nov 1 (F.S.) - Central U.S. carlot beef trade - FOB Omaha basis (includes the major production areas in the Midwest) as of 4:30 p.m. Compared to Friday's 4:30 report: few sales; steer & heifer beef steady, but trading slow. Demand light for moderate supplies with buyer interest mostly confined to immediate shipments. The boxed beef carcass current value advanced \$.29 per cwt to \$11.29. Sales reported on 24 loads of steer and heifer beef. Steer beef - 15 loads, including 3 to processor and 12 to packers. FOB Omaha basis: 1 choice 3 600-700 lbs 104.00, 2 choice 4 800-900 lbs 100.00. Heifer beef - 9 loads, including 1 to processor & 8 to packers. 4 choice 3 600-700 lbs 101.00, 1 choice 4 800-900 lbs 99.00. FOB Omaha basis: 2 choice 3 600-700 lbs 101.00, 2 choice 4 800-900 lbs 99.00. Beef trimmings: 5% loads. FOB Omaha basis: 5% 60% chem lean fresh 68.00-70.00, mostly 68.00.

Des Moines, Nov 3 (F.S.) - Central U.S. boxed beef - fabricated beef cuts as of 3:30 FOB Omaha basis (includes major production areas in the Midwest and Texas-Oklahoma Panhandle). Quotations reflect bulk sales by fabricators to retailers, jobbers, wholesalers, etc. Boxed beef trade slow. Demand light with best movement to the East Coast area. Processors and retailers continue to be unwilling to (CONT. ON PAGE 36)

Crop, Livestock Reports From Farmers, Ranchers Are Vital For All

From mid-November to early January, thousands of Texas farmers and ranchers will receive a crop and livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. The information gathered through the questionnaires (CONT. FROM PAGE 14)

Retenderable Certificates Studied by CME

Chicago - A new concept in cattle futures is being studied by the Chicago Mercantile Exchange. "The concept, a retenderable certificate of delivery, at this stage is receiving favorable industry reception," said Don Stevens, Chairman of the CME Live Cattle Committee.

The CME pioneered the delivery certificate (CONT. ON PAGE 15)

U.S. Farm Exports Cut Trade Surplus

Orlando, Fla., Oct. 27 - With a record 40 billion dollars in agricultural exports this year, farmers and ranchers will just about out the total U.S. trade deficit in half, Robert B. Delano said here today.

Buyers Create Strong Market in Nov. 20 Top Dollar Sale

Fort Worth - Numerous buyers created a steady to weak market for 2700 steers and feeder calves in the sixth "Top Dollar" sale held Oct. 30 at Fort Worth Stockyards in the 1980 series. The next sale in this year's series will be held Nov. 20. Yearlings were \$1.00 higher.

Judges Jim Reeves, Angus; Charles Rollins, crossbreds; and Jim Kelly, Herefords; placed the calves. Placings, owners, weights and prices were: (CONT. ON PAGE 14)

Winning Political Chaff from Situation Shows Supply Side Favoring Better Prices, Expansion of Export Markets is Certain

In the pre-election projections there was generally a tone of optimism as to the near future of farmers and ranchers concerning greater income in the coming year. Figures at hand at this time appear favorable for higher prices on all crops due to bad crops in major importing nations, especially the Russian and Eastern European countries. Australia is struggling with a drought and some South American countries are also hard hit. The United States suffered some losses during this summer's heat wave to further enhance the bullish situation from the supply side.

There has been much political hay made about the new agreement with China to import grain over a four year span with volume in the six to eight million metric ton range, with a possibility they could go to nine million. They only real thing that is new here is that China agreed to take at least six million tons per year, the first time the U.S. has had a binding agreement with the PRC. The volume of U.S. grain imported has been at the agreed levels all the time, so this is not new business and merely duplicates the type of long term agreements that Australia and Canada have been using for years in the China trade.

The numbers favor continued rises in prices for livestock and crops. Beef pro-

Fed Cattle Prices Mixed in Monday Trading, Hogs Uneven at Centrals

Around the major terminal marketing centers on Monday the trade was highly uneven from point to point on both slaughter cattle and hogs. Fed steers and heifers were mostly steady at best compared to last week, with buyers keeping a weather eye on the dressed trade. Larger numbers of over-done cattle yielding 8 & 9's carcasses are becoming something of a problem and the lower end of the choice and prime quotations on steers and heifers reflect these types. The estimated cattle kill for Monday at 114,000 was a couple of thousand under last week and 1,000 below last year. The estimated Monday hog kill at 306,000 was 6,000 over last week and 22,000 above last year. Price trends, quotations on choice and prime steers and heifers and on the mixed good and choice grades and on U.S. 1-3 hogs sealing 200 to 280 pounds included:

OMAHA fed cattle steady. Steers \$65 to \$67.75 and \$65 to \$65.75. Heifers \$63 to \$64.75 and \$62.50 to \$63.50. Hogs weak to 25c lower at \$48.25 to \$48.50. SIOUX CITY fed steers 60c lower, heifers steady. Steers \$63.50 to \$65.50 and \$63.50 to \$65.50. Holsteins \$58 to \$60.25. Heifers \$58.50 to \$60.25 and \$61.50 to \$63.50. Hogs weak to 60c lower at \$48 to \$47.50. SIOUX FALLS fed cattle steady. Steers \$64.50 to \$67 and \$64.50 to \$65.50. Holsteins \$58 to \$59.50. Heifers \$62.50 to \$64.25 and \$61.50 to \$63.50. Hogs 60c lower at \$48 to \$47.50. JOLIET steers 50c to \$1 lower, heifers 50-75c lower. Steers \$66 to \$67.50 and \$64.50 to \$66. Heifers \$64 to \$65.50 and \$62.50 to \$64. Hogs fully steady at \$48.50 to \$49. PEORIA fed steers steady, heifers steady to 50c lower. Steers \$64 to \$67.50 and \$64 to \$66. Heifers \$58 to \$65 and \$61.50 to \$63.50. Hogs steady at \$48 to \$49.

ST. LOUIS compared to last Tuesday fed cattle closed 50c to \$1 lower and Holsteins \$1 to \$1.50 off. Steers \$65 to \$66.75 and \$64 to \$65.50. Holsteins \$58 to \$60. Heifers \$62.50 to \$64.50 and \$61 to \$62.50. Hogs 25c higher at \$48 to \$47.75. ST. JOSEPH fed cattle steady to \$1 lower. Steers \$63 to \$67 and \$65 to \$66.50. Holsteins \$60 to \$61. Heifers \$60 to \$64.75 and \$61 to \$63.50. Hogs 25c lower at \$48 to \$47.50.

Are you WASTING 25% of your feed money?

Can you see undigested feed in your cows' droppings?

Here's how to save wasting as much as a pickup load of feed for every 50 cows every winter month. Rumenade boosts the rumen! This means your cows will get more nutrition out of the tough, fibrous roughage they eat. Digest more and waste less. Ordinary supplements and cakes just don't do this. Cattlemen feeding for maximum reproductive performance have proved to themselves Rumenade costs less per cow to feed.

You can see the difference when you feed.

Chaparrosa Santa Gertrudis, Quarter Horse Sale Nov. 10

LaPray, Texas — The 6th Annual Cowman's Choice Sale will be held at Chaparrosa Ranch Nov. 10 with more than 800 head of cattle and horses making up the offering. The sale includes 100 purebred certified breeding age Santa Gertrudis bulls, the largest number to be offered at public auction by any individual breeder. Chaparrosa Ranch is owned by Mr. and Mrs. Helton K. Johnson of San Antonio, Texas, pioneer breeders of Santa Gertrudis cattle who have extensive ranching interests in Texas and California. In addition to the bulls, 100 pure-

bred Santa Gertrudis females, 100 crossbred heifers and six registered Quarter Horses will be sold. A special feature of the sale will be "free delivery" of the animals purchased. Johnson said Chaparrosa Ranch will deliver the animals to the ranch of the buyer, or to a central convenient location. In the case of foreign buyers, animals will be delivered to the nearest export point. An added feature this year will be an offering of 25 purebred expected to attract the interest of youth for 4H and FFA projects. This is in addition to 74 classified Santa Gertrudis heifers and a calf to Santa Gertrudis bulls. The crossbred offering will consist of heifers safe in calf to Santa Gertrudis bulls as well as a selection of open heifers. The Quarter Horse offering will include two fillies, three geldings and one stallion, all sired by the stallion Texas Pan, Jr. The activities begin Sunday, Nov. 9, when the animals are available for inspection at the ranch. That evening the Ranch will host a cocktail buffet at the Uvalde Country Club. On sale day, Chaparrosa cowboys demonstrate the "formando" with the ranch remuda. Lunch is served at 11:30 and the sale begins at 12:30. For a sale catalog and additional information, write to Chaparrosa Ranch, Box 489, LaPray, Texas 78972 or call (512) 360-4422.

77 Ranch Angus Performance Tested Bull Sale Nov. 29

Wichita Falls — George Graham, owner, and Louis Hartman-gruber, manager, will host the Seventy Seven Ranch's 20th annual performance tested Angus bull sale on Saturday, Nov. 29, beginning at 12:30 p.m. at the ranch near Wichita Falls. Phil Ljungdahl of Dodge City, Kan., will manage and Ray Sims and John Branton will be auctioneers for the sale.

Selling in the very comfortable, heated sale barn will be 100 big rugged performance tested bulls, everyone of which is ready for service.

Graham said, "for 30 years we have been developing a cow herd of top performance females. These are more than 600 cows that have been selected for outstanding weaning weights and performance, sired by top performing bulls we had produced or purchased, or from A. I. use. Only these top producers are a part of the 77 Ranch herd today. These cows are the mothers of the bulls that sell."

Pedigrees of the bulls carry "Big George," Chlooman, Puckmere, Aristocrat, Edictor, Marshall, Rito, Emulous and other leading Angus names. All the bulls are fertility tested and ready for service.

For further information contact Phil Ljungdahl, Sale Manager, Box 1200, Dodge City, Kansas 67801, phone 816/227-2786; or George Graham, owner, Seventy Seven Ranch, 400 First Wichita National Building, Wichita Falls, Texas, phone 817/322-6924 at the office, 817/767-9938 residence, or Louis Hartmangruber, ranch manager, 817/706-2011.

Brangus Bulls Make The Grade

NEW USDA GRADES

For the 80's, the USDA has modified their beef grading standards. Under the new system, Brangus Breeds Profit like never before. Brangus bulls consistently outperform other breeds in meeting USDA's superior performance criteria. They have the ability to grade with less finish, and packers prefer their high-yielding carcasses.

You'll also like their temperament, disease-resistant nature and drive. And, Black Brangus Crossbred calves make good herd replacements for older females.

Isn't it time for you to produce medium to large frame numbers 1 and 2 cattle? Make it Brangus — the Bull for All Reasons.

Harrell Cattle Company Proudly Presents

The Signature
A Generation Turnover

The Guaranteed Dispersal of the Entire Cowherd
Born 1977 or Before

Monday and Tuesday, November 24 & 25
The Lake Ranch Headquarters, Gonzales, Texas
Sale Time 10:00 A.M. Both Days

We are retaining our 1978 and '79 Heifer crops and a portion of our 1980 heifer calves — every other female will be sold and guaranteed under our customary warranty.

700 LOTS

450 Purebred Cows . . . These are our collector's items. The cows that have produced for us consistently year-after-year . . . the cows we've never considered selling, as well as a superior group of 1977 cows that may well be better than all the rest.

200 Second Cross Beefmaster Cows . . . By virtue of their stage of up breeding, we've naturally culled this group of females harder over the years than any other group. They're truly a superior set of producing females . . . they had to be or they wouldn't still be in the program.

50 Herd Bulls and Herd Bull Prospects . . . Over the past few years, the cows that weren't in our A-1 Program have been bred to the mature bulls in this group . . . the younger bulls are our keepers out of this year's crop, slated for service in our program next year.

As a part of this outstanding offering Harrell Cattle Company and Singer Beefmaster are proud to offer a 1/4 interest in "The Changer"

The Herd Bull Battery . . . The bull of the 1980's.

Many of the cows in the offering carry the get and service of the breed's top name herd bulls

**"THE CHANGER" • SHOWBOY • CHECKMATE • CRIMSON WARRIOR
OUTLAW • D3 • SHOWBOY 4 • ROBERT E. LEE • PERFECTOR**

No breeding females will be sold out of the herd prior to the sale.

This, in our opinion, could very well be the greatest set of breeding cattle ever offered in a single sale in the history of the cattle business. They've done a superior job for us and if our circumstances didn't dictate a dramatic change in our operation, we certainly wouldn't sell them. We believe they'll do just as good a job for producers across the breed as they've done for us.

BEEFMASTER BREEDERS UNIVERSAL NEWS

Beefmaster Bulls Top Averages At Western Stockman Bull Sale

Bakersfield, CA — Beefmaster bulls topped the average of the 15th Annual Western Stockman All Breed Bull Sale for the second consecutive year here October 11, 1980. Harrell Cattle Company, Gonzales, Texas, consigned the commercial bulls which averaged \$1,811. The overall average for the seventeen breeds was \$1,502.

The top selling Beefmaster bull sold for \$2,560. Among the nine buyers purchasing the bulls were repeat buyers from previous years. A sifting committee and a panel of 15 ranchers from California graded the bulls prior to the sale. A grade of 87 or better was necessary for admission to the sale. Out of 499 consignments, 371 were accepted.

The champion Beefmaster bull graded 89.3, the third highest score among the champions of the breeds. The overall average grade of Beefmaster bulls was 88.3.

Wallace and Maurice Harrell, owners of Harrell Cattle Company, feel the sale results are indicative of the rising demand for Beefmaster bulls in California and other western states. The Harrells are members of Beefmaster Breeders Universal.

Thompson Beefmaster Sale Set Nov. 7

McNeill, Miss. — Gene Thompson's Rocking T Bar ranch has set its third annual Beefmaster production sale, November 7, 1980. The sale will be held at Thompson's headquarters near McNeill, MS.

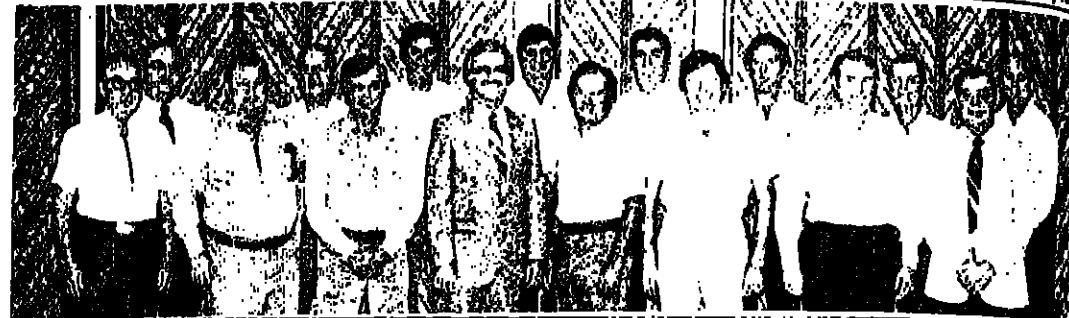

Established as one of the leading Beefmaster sales of the year, the Gene Thompson sale will feature both a purebred seedstock and commercial bull sale. The seedstock sale will start at 10:00 A.M., to be followed by lunch at the sale site. The commercial sale will start at 2:00 P.M.

The sale will include about 100 young herd sire prospects and commercial bulls and 50 females representing three-in-ones, pairs, brood and open heifers. Several animals carrying the breeding or service of Thompson's great senior herd sires, "Ranger" and "Levi", will sell. A special consignment from Banner Lee, Jr., Pavo, Georgia, previous owner of "Levi", will also sell.

The Lee consignment includes an outstanding Circle Dot cow and her year old "Levi" bull calf. The cow will have another "Levi" calf at side by sale time.

Thompson, whose cow herd is one of the most respected in the breed, will present an outstanding set of young bulls in the sale. The 100 bull offering includes sons of "Ranger", "Crimson Warrior", "Ben", "Outlaw", and "Checkmate". Several solid herd sire prospects will sell.

Cattle will be available for inspection on Thursday, November 6, from 11:00

Harrell To Disperse Producing Beefmasters In Sale Nov. 24-25

Gonzales, Texas — Harrell Cattle Company has announced that its Beefmaster producing cowherd will be dispersed in a two-day sale, Monday and Tuesday, November 24 and 25 at the Lake Ranch headquarters at Gonzales. The announcement said, "A dramatic change in our operation has dictated a large reduction in numbers of producing cows. . . we have determined that our best course of action is in the gradual dispersal of all cows in our herd born in 1977 or before. We are keeping our 1978 and 1979 heifer crops and a number of 1980 heifer calves. . . we are not getting out of the Beefmaster business by any means."

"We are offering 700 lots of Beefmaster cattle. . . 450 Purebred Cows, many with calves at side and bred back to the top sires in the breed; 200 Second Cross Cows, many with purebred calves at side and bred back to the same top line bulls; 50 Beefmaster Herd Sires and Herd Sire Prospects, bulls that have been in service in the Harrell program or our selection for use in our program next year."

No breeding females will be sold out of this herd prior to the sale. Also selling will be a one-third interest in "The Changer" bull.

The sale will be conducted by Auctioneer Gerald Bowie of West Point, Ga., and Ruben Reyes and Anthony Mihaleki of San Antonio, auctioneers and sale managers. For further information on this

Fields of animal breeding and embryo transfer. The program also included a video tape presentation of the embryo transfer procedure and a question and answer period.

Fall Feeder Supply Hits Stride, Most Prices Are Lower

St. Joseph, Oct 31 (USDA) — National feeder cattle and calf receipts this week totaled 210,000 head, year ago 210,000. Liberal fall movement of 220,000. Lower slaughter cattle prices, higher feed costs, higher interest rates combined with gloomy economic reports all factors dampening demand for feeders. According to the USDA Livestock Market News Service, prices for feeders generally were 1.00-3.00 lower, instances 4.00-8.00 off. The only exceptions were in Iowa where steer calves and yearling heifers moved steady to 2.00 higher and 775-825 lbs in California 1.00-1.50 higher.

Crop, Livestock Reports From Farmers, Rancher Are Vital For All

(CONT. FROM PAGE 1)
and interviews provides the basis for determining the final acreage, yield, and production of crops and end-of-the-year livestock and poultry numbers for the state of Texas and for each county. All of the estimates published by the Texas Crop and Livestock Reporting Service are based on the data provided by Texas farmers and ranchers, County Extension Agents, ASCS offices, and many others in agriculture. This cooperation provides the necessary data which is, in turn, returned to farmers and ranchers and others in the form of accurate estimates, which are so essential in making the wisest production and marketing decisions. Accurate estimates are also essential to farm organizations and legislators in promotion, planning, and enacting wise legislation and are used in establishing acreages and payment levels to producers under the various commodity programs.

The collection and publication of agricultural statistics are a cooperative effort between the Texas Department of Agriculture and USDA. This cooperation avoids duplication of effort, promotes economies, and increases the effectiveness of statistical reports. All individual farm and ranch information is kept confidential, and only state and county summaries become part of the final published estimate. County estimates for 1979 and January 1, 1980, are available on Livestock, Poultry, Dairy, Field Crops, Small Grains, Cotton, Vegetables, Fruits and Pecans, and Cash Receipts from the Sale of Texas Farm Commodities. Bulletins can be obtained from the Texas Crop and Livestock Reporting Service, P. O. Box 70, Austin, Texas 78767, or by writing Reagan V. Brown, Commissioner of Agriculture, P. O. Box 12947, Capitol Station, Austin, Texas 78711.

Farm Income Prospects To Improve in 1981

(CONT. FROM PAGE 1)
agricultural income picture in 1981, believes Dr. Carl Anderson, economist in marketing with the Texas Agricultural Extension Service, Texas A&M University System. Crop producers will likely fair much better in 1981 because of this year's short crop and a rise in price. And, with meat supplies expected to slip under year-earlier levels, prospects look somewhat better for livestock producers as well.

Although production expenses will rise again, price increases are not expected to be as sharp as in 1980, says Anderson. During the past 12 months, fertilizer prices jumped 28 percent, fuel and energy prices and interest rates climbed 25 percent, and agricultural chemicals rose 21 percent. "Texas agriculture suffered considerably from the extended dry, hot weather during late spring and summer. Dryland farmers, cow-calf operators and poultry producers experienced big setbacks. Irrigated crops were even stunted by the intense and prolonged heat wave," notes Anderson. Despite the steep drop in crop production, cash receipts for 1980 are estimated by Extension specialists to total only a little less than in 1979. Crop inventories carried over from the bumper 1979 harvest and price increases for many commodities have helped maintain sales close to last year's level.

Livestock sales sagged a little as lower cattle and hog receipts more than offset increased sales of poultry and milk. While overall agricultural receipts won't be down too much from last year, net income will be off sharply due to surging costs of running a farm or ranch, says Anderson.

And, to make matters worse, the purchasing power of income has been further reduced by this year's double-digit inflation. "Declining farm income is also hurting businesses serving agricultural producers. As farmers and ranchers tighten their belts, they will be buying fewer production and consumption goods and services," notes the economist.

Retenderable Certificates Studied by CME

(CONT. FROM PAGE 1)
tificate concept, the first in the futures industry, earlier this year. To date delivery certificates are issued on the CME Broker and Egg futures contracts and have been termed an industry success.

In theory the cattle delivery certificate would be similar to the egg and broiler delivery certificate process which enables the buyer of a futures contract to tender the contract and decline taking physical delivery of the product. On receiving a delivery certificate, the buyer can take a short position in the futures market and tender the certificate at a nominal discount. If the certificate is not tendered, the buyer is obligated to accept delivery. Provisions of the tentative contract also allow a buyer of futures contracts who desires actual delivery of the product to issue a "demand notice" for delivery certificates that are tendered.

As for a final drafting of a Certificate of Delivery Program for live cattle, Stevens said, "We are still in the preliminary stages of development. A number of refinements suggested by various segments of the industry will remain the certificate study to the Exchange subcommittee responsible for its inception. It is hoped a final version will be ready in the near future." Stevens comment came at the conclusion of a recent two day meeting of the CME Livestock Advisory Committee, comprised of livestock experts from across the United States and CME officials.

Agriculture Optimistic

(CONT. FROM PAGE 1)
already feeling better time with recent sales figures running three to four percent above a year ago at this time.

One of the more ludicrous developments in the late electioneering campaign was a rumor widely circulated in Texas that if the Democrats were victorious they would forgive all the Small Business Administration disaster loans to farmers and ranchers. SBA officials have been shouting this is not so, but the rumor is still flying as the polls opened.

Since June 1 in the face of the world situation on supply and demand prices of soybeans have climbed 47% and corn rose 37% and wheat went up 84%.

U.S. Farm Exports Cut Trade Surplus

(CONT. FROM PAGE 1)
American Farm Bureau Federation, said the farm trade surplus of about 22 billion dollars will cut the projected total U.S. trade deficit from 45 billion dollars to an estimated 23 billion dollars.

"Agriculture's trade surplus is the largest single factor in keeping what strength remains in the American dollar," Delano said.

The farm leader pointed out that there are now 10 nations that buy more than one billion dollars worth of agricultural commodities from the U.S. each year.

Japan heads the list, buying more than five billion dollars worth of U.S. farm products annually. Two billion dollar customers for American agricultural commodities include the Netherlands and the USSR with both Mexico and Mainland China expected in the two billion dollar bracket this year.

One billion dollar customers for America's farm production include West Germany, United Kingdom, South Korea, Taiwan and Canada.

Referring to Florida producer concern about excessive fresh winter vegetables imported into the U.S. from Mexico at prices considered less than fair value, Delano said the federation is seeking a full review of the situation.

"There is a world of difference between outright dumping of commodities versus the clean competition of imports under rules we all agree to follow through the trade negotiation process," Delano said.

Bob Basham Named Southwest COBA Area Sales Representative

COBA/Select Sires, Inc. is pleased to announce the appointment of Robert L. Basham, Jr. to the position of Field Representative to serve the north central Texas and south Oklahoma area. Basham is no stranger to the organization or the A.I. industry. He came up through the ranks at COBA beginning as relief technician and spent time working with the bulls in the Custom semen department. He was later promoted to resident technician Highland County in Ohio. For the past three years Basham served as sales representative for southwestern Ohio.

Not only does Bob have intense interest in dairy cattle, he is very knowledgeable concerning beef. As a representative in Ohio, Basham worked very closely with COBA's beef A.I. program. In addition to his experience with COBA, Basham has made several trips to Europe to study beef operations there. Principally, in his travels, he spent time in Switzerland observing Simmental operations in the foothills of the Alps and attending their major Simmental shows. His travels also included France, Germany and Italy where he observed many of what is commonly known as our exotic breeds of cattle.

Bob Basham assumed his new responsibilities on September 1, 1980. He resides at 1442 N. Dale Avenue, Stephenville, Texas 76401 and will serve the territory from his home base.

Herefords Compete For \$100,000 at Denver, Special Steer Show

Kansas City — A number of special activities will take place at the 1981 National Western Stock Show in Denver in January of special interest to Hereford breeders. The Hereford activities will celebrate the centennial year for the American Hereford Association and exhibitors will be competing for

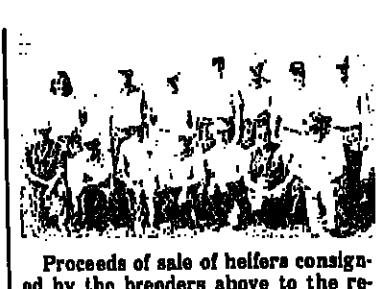

Greg Friedman, Natchitoches, La., was exhibitor of the reserve grand champion steer of the Louisiana State Fair recently. His steer earlier had been named champion Hereford coming from the heavyweight class. He was bred on the Friedman-owned Lone Star Hereford Ranch, Henrietta, Tx., and was sired by BB Domino 427. The 1,261 pound steer sold for \$10,088. Shown with the winning steer, left to right, are: Vernon McCain, Iowa, Louisiana Hereford Association president; Donna Denison, Iowa, Louisiana Hereford Queen; and at the halter is the proud owner, Greg Friedman. (Photo by American Hereford Association).

\$100,000 in prize money in the various Hereford competitions. One special activity will be a division of the steer show open only to Hereford entries. Other official rules for the National Western Stock Show's steer competition will be in effect for the Herefords. The steers must be nominated by August 1 and each steer must have a nose print. This information is available from the National Western Stock Show, 215 East 46th Avenue, Denver, Colorado, 80216.

Greater Hill Country Herefords Set Records

Fredericksburg — The Greater Hill Country Hereford Association sale set a new record Oct. 22 when sales reached a total of \$176,436. Bert Reyes of San Antonio, the auctioneer, called it the best Hereford consignment sale held in Texas this year. Seventy-eight registered Hereford bulls went for \$153,325 to average \$1,950; and 24 female lots grossed \$23,110 for an average of \$962.

Dr. L. D. Wythe, Jr., of Texas A&M University, who placed the cattle prior to the sale, chose as champion bull one consigned by Triple H Ranch of Fredericksburg. The March 2-year-old sold for \$3,350 to J. D. White of Freer. Reserve champion bull was consigned by Mrs. F. Lev of Willow City and sold for \$2,700 to Holmes Ranch of Milano.

\$2,700 to Holmes Ranch of Milano. A. C. East of Fredericksburg consigned the top selling bull, one for which Halls C. Day of Pearsall paid \$4,150.

Tom Dean of Cherokee consigned the champion female for which Lago Vista Ranch of Round Mountain established a new association female record of \$3,290.

Volume buyers of bulls were Gerald Lindholm of George West, 11 for \$20,150; Holmes Ranch of Milano, 7 for \$17,100; Halls D. Day of Pearsall, 3 for \$9,900; J. D. White of Freer 4 for \$12,750; M.L. Cattle Co. of Fannin, 3 for \$5,500; E. W. Hasse of Llano, 2 for \$7,250; and James Johnston of Pearsall 2 for \$5,500.

Volume buyers of females included Arthur Clark of Mullin, four head for \$4,800; A. F. Buie of Llano, four head for \$3,830; Charles Knabe of Spring Branch, three head for \$2,775; and Little Co. of Llano, 11 head for \$5,195.

Toy Weinheimer of Stonewall, association president, said the sale seemed to be just what the buyers were looking for, and for the last few sales this one has been recognized as one of breed strength and quality.

Maternal Breeding Value^{MBV}

Maternal breeding value^{MBV} is the accurate indication of the genetic value of the Hereford's maternal traits that will be passed on to the offspring. This AHA computer analysis, unique in the industry, scans records of sires, dams and grandparents to calculate maternal breeding value^{MBV} based on ancestor's performance.

For a Hereford cow, maternal breeding value^{MBV} projects her ability to wean heav-

ier calves. For a Hereford bull, maternal breeding value^{MBV} predicts his ability to sire daughters that excel in the important maternal traits.

Seedstock-producing cows like this one are the foundation for better bulls for the commercial cattleman. Maternal breeding value^{MBV} is another modern performance tool that documents this Hereford dependability.

Move round bales as gently as hydraulics without leaving your pickup seat!

Priefert Bale Buggy

No winches
No hydraulics
No electrical connections

Don't Damage Your Roof!

When you get moisture under the roof of the bale, it can't dry out and this spoils the hay. The Priefert Bale Buggy never touches the roof, never drops or rolls the bale. With no bale damage, there's seldom bale spoilage.

The Priefert Bale Buggy hooks to your pickup or tractor with only a simple pin hitch and trip rope. Because brakes

are not required, the Bale Buggy works well in bad ground conditions. The simplicity of the Priefert bale mover will amaze you and assure you of a long, productive life for this unit.

DRINKING TANK PROBLEM SOLVED
As well as all reservoirs and spray tank. Lifetime Tank Coatings for steel plate tanks, corrugated galvanized iron tanks, and rock and concrete tanks. Thousands of these tanks of assorted sizes have been restored to be better than a new tank, no coating. Over 30 million pounds now in service since 1958. Stop all leaks, any size hole or crack. Prevent rust forever. A new tank properly coated will not be replaced in a lifetime. Anyone can apply by brush. Not a paint, the only material known that prevents seepage in basement walls. Twice the hardness of concrete. Write or call for our catalog. All orders shipped same day received. This is our 30th year.

Next "Top Dollar" Sale Nov. 20 At Ft. Worth Stockyards

Fort Worth—The seventh sale in the 1980 "Top Dollar" stocker-feeder shows and sales at Fort Worth Stockyards will be held Nov. 20.

Packer cattle are welcomed, also, at the sale, said Elmo Klingenberg, president of the stockyard company.

A popular feature of this year's sales has been that consignors are permitted to have up to 10 head in the "ten" head class for judging, or any number from 20 on up in the "twenty" head class.

The special sales begin at 10 a.m. on sale days, with odd lots beginning at 9 a.m. in the regular auction.

Trophies and ribbons are awarded for the first five places in Hereford, Angus and Crossbred classes.

Consignments to the "Top Dollar" sales may be made by contacting these commission firms: Carson Commission Co., 817/624-8191; John Clay & Co., 817/624-1800; Farm and Ranch Commission Co., 817/624-2181; Farmer-Kutch Commission Co., 817/624-2170; Foley-Allen Commission Co., 817/626-3761; or Leon Ralls Livestock Commission Co., 817/624-2121.

Further information is also available from the Fort Worth Stockyards, 817/624-8101.

Maine-Anjou News From
Throughout North America
BY JOHN SCHUESSLER
Corresponding Secretary TM-AA

Texas Maine-Anjou Bull Sale Set Nov. 20 in San Angelo

San Angelo — The Texas Maine-Anjou Association annual bull sale will be held at Producers Livestock Auction Co. here on Thursday, Nov. 20, beginning at 1 p.m. The sale will be held in conjunction with the regular Thursday cattle sale at Producers.

Don Rhone of Coleman, president of Texas Maine-Anjou Assn., said 40 to 60 percentage bulls will sell. They will be breeding-age and ready to go to work.

The bulls will have all health papers and be fertility tested.

"Last year we had several large commercial ranchers at the sale and some bought several bulls. We believe the interest in good Maine-Anjou bulls for use on commercial cattle is increasing," Rhone added.

AMAA National Show, Sale And Convention in Denver Jan. 15-16

Denver — The Third Annual Denver National Maine-Anjou bull show and sale will be at the National Western Stockshow here Jan. 15 and 16, 1981. The show will be at 2 p.m. Jan. 15, and the sale at 7 p.m. Jan. 16 at the Denver Stockman's Market.

Otto Streiberg of Camrose, Alberta, Canada and John Schuessler of Llano, Texas, will manage the sale.

The 10th annual convention of the American Maine-Anjou Association will also be held at Denver beginning at 9 a.m. Jan. 16 in the Plaza Cosmopolitan Hotel. A breakfast and membership meeting will kickoff convention activities.

Nominees and winners of "Maine Man of the Year" and "National Breeder Award," will be announced.

Jay, Bo Jones Top Junior Maine-Anjou Heifer Show At Waco

Waco — Jay Jones, Jr., and Bo Jones, both of Elm Mott, showed the grand champion and reserve champion heifers respectively in the Maine-Anjou Junior Heifer Show at the Heart of Texas Fair here recently.

In the junior heifer class for calves born Jan. 1, 1980 to May 30, 1980, Jamie Crow of Waco was first, and Benny Rogers of Waco, both second and third. In the summer yearling class for heifers born May 1, 1979 to April 30, 1980, Bo Jones was first. In the Junior Yearlings class for heifer calves Jan. 1, 1979 to April 30, 1979, Jay Jones, Jr., was first and Benny Rogers second.

Mood Angus Dispersal Sale Set Nov. 8 At Eastland Auction

Eastland, Texas — Guaranteed dispersal and 100% liquidation of Charles Mood's registered Angus herd will begin at 12 noon on Saturday, Nov. 8 at the Eastland Auction Barn here.

Selling will be one herd bull; five serviceable-age bulls; and 60 female lots, many with calves at side. These cattle feature the influence of "Canadian Skyscraper," grand champion of the 1971 Canadian Agribition, the largest Angus show ever held in Canada.

The herd bull selling is rich in Western Canadian breeding; the five serviceable-age bulls are rugged individuals ready for immediate service; and the 60 females are rich in the best of "Canadian Sky-scraper," "Great Northern," and Marshall of Faulkner breeding. They are a high quality, top producing set of cows being dispersed only because of health reasons.

Auctioneer for the sale will be Tommy Williams of Winnipeg, Manitoba, Canada.

For free reference catalog, address Tom Burke and Bernice Scheer, sale managers, American Angus Hall of Fame, Smithville, Missouri 64089, phone 816/532-0811; or Charles Moad, 507 W. 17th Street, Cisco, Texas 76437, phone 817/442-2105.

Fort Worth Stockyards To Host Major Rodeo Finals Dec. 28-31

Fort Worth — For the first time in the history of the Professional Rodeo Cowboys Association, Fort Worth's historic Stockyards will host the Lone Star Circuit Finals Rodeo Dec. 28-31, 1980.

"This is the first year for Fort Worth to host the Lone Star Circuit Finals, Circuit Manager Louise Whisenant said. "If support is good, we may have found a new home."

Competing for the \$36,000 in prize money are at least 29 National Finals contestants, cowboys who also compete in the National Finals Rodeo in Oklahoma City.

Some of the NFR and World Champions who will be competing in the 1980 Lone Star Circuit Finals in Fort Worth include: Don Gay, 5-time world champion bull rider; Monty Hanson, world champion saddle bronc rider; Byron Walker, world champion steer wrestler; Butch Kirby, world champion bull rider; and Paul Mayo, world champion bareback rider.

Events in the finals include bareback bronc riding, saddle bronc riding, bull riding, calf roping, steer wrestling, team roping and barrel racing, said Mrs. Whisenant.

Stock will be provided by Neal Gay, Bernis Johnson, Bobby Steiner, Tommy Steiner, Burrell Markum and Bradford Ivy.

"Texans brag about the Lone Star Circuit and we've got good reason to do so," Mrs. Whisenant said. "We have more NFR and World Champions than

any other circuit." The PRCA is divided into 12 districts to maintain the traditional state in the nation that competes in rodeo circuit.

"The top 15 cowboys in each event compete each night. This gives a chance to see highly competitive rodeo in the ring only once a night," she said.

"The Lone Star Circuit Finals is basically a mini-National Finals of the large number of NFR contestants and the high quality rodeo available in Texas," Mrs. Whisenant said.

Fort Worth's new Best Western Convention Center Hotel at 600 Commerce Street is headquarters for the Lone Star Circuit Finals.

Panhandle Directs

Amarillo, Oct 31 (F-S) - Slaughter steers and heifers 50 lower. Trading remained moderate most of the week as the carcass beef market continued lower. Late week activity was steady and Thursday turned active as packers purchased necessary inventory. Not area feedlots continue to show relatively light numbers of well finished cattle. Also some cattle purchased this week have been weighed up and placed back on feed. Most local feedlots continue receiving fairly liberal amounts of feeder cattle causing limited availability of pens in some parts of the area. Last average live weight in area placed last week 1100 lb, compared to 1080 lb last week and 1088 lb this week last year. Steers 41,000; good and mostly choice 2-3 1025-1200 lb 68.00-69.00, late mostly 68.00-68.50. Mixed good and choice 3-4 1050-1150 lb 66.75-68.00, mostly 67.50-68.00. Good and choice 3-4 1100-1200 lb including Holsteins and Corriettes 64.00-65.50. Heifers 16,000; good and mostly choice 2-3 900-1025 lb 66.00-67.50, closing 66.00-66.50. Mixed good and choice 2-3 65.00-66.50, late 65.50-66.75. Load good, few choice 3-4 775 lb 67.00. Good and choice 3-4 heiferettes 68.00-64.25. Several 1000-1100 lb 61.00-61.50.

Western Kansas Directs

Dodge City, Oct 30 (USDA) - Slaughter steers and heifers recovered part of the early decline, steers closing mostly 1.00 lower; slaughter heifers 50-100 off. Steers 22,000; throughout the period, choice 2-4, mostly 1050-1250 lb 67.00-68.50, late mostly 67.50-68.00; choice with end good 1100-1175 lb 67.00-67.75; few choice good and choice 1200 lb Holsteins 61.00. Heifers 9,000; throughout the period, choice 2-4, mostly 900-1000 lb 64.00-64.25, late 65.00-66.00.
